PROFILE

I have been a self employed fisherman for the last 25 years and i am now looking for a change in career and hopefully a new challenge. I am very hard working and dedicated to my work and I am used to working long periods of time away from home.

While in the working environment I feel I am a hard working, safety conscious, reliable and work comfortably both individually or as a team member. By ensuring a proactive approach is applied too all work duties iam confident jobs are successfully done too the best of my ability giving me job satisfaction.

Socially I enjoy spending time with my wife and 2 young girls.
