## WORK EXPERIENCE

### Registered Veterinary Nurse

Grove Lodge Veterinary Group Ltd - Worthing - March 2011 to Present

Worthing, West Sussex

I work at our main hospital, dealing with first opinion and referral cases.

My duties include:

- Inpatient care
- Kennel duties
- Nursing wildlife and exotic patients
- Reception duties
- Nurse clinics
- Taking and running a variety of laboratory tests
- Assisting with x-rays, endoscopies, dental x-ray and ultrasonography
- Anaesthesia (including emergency and referral)
- Theatre Duties
- Emergency and critical care
- Cover weekends and out of hours work
- Infection control
- Dispensing of medication
- Safe disposal of waste

I assist with referral work in:

- Cardiology
- Dentistry
- Dermatology
- Endoscopy
- Exotics
- Feline medicine
- Laparoscopy
- Medicine
- Ophthalmology
- Orthopaedic surgery
- Small animal surgery
- Ultrasonography

### Registered Veterinary Nurse

Grove Lodge Veterinary Group Ltd - Worthing - March 2010 to March 2011

Worthing, West Sussex

I was the sole nurse at our West Worthing branch. The role included setting up and running nurse clinics.

My duties included:

- Day patient animal welfare and treatment
- Anaesthesia
- Nurse clinics
- Day-to-day branch operations and administration
- Stock control and ordering
- Reception duties
- Dispensing of medication
- Safe disposal of waste

I completed my veterinary nursing training at the East Grinstead Veterinary Hospital.
